

Keep Printers Working to Reduce Downtime

Printer Maintenance?

Printers can break and stop production. Printer maintenance programs can be added to both new and used printers. You can customize the frequency of service visits to fit your needs.

How you benefit:

- ⇒ Protect your investment
- ⇒ Budget your annual cost with fixed service pricing
- ⇒ Minimize costly printer downtime

Adjustments:

- ⇒ Clean and check rollers and ribbon tension
- ⇒ Check printhead quality and alignment

On-Site & Depot Repair:

- ⇒ Factory trained technicians
- ⇒ Parts stocked at facility
- ⇒ Emergency call service 24/7
